2016

Greetings,

With the approach of the winter season, Elmwood Cemetery Association is offering the purchase and installation of beautiful grave blankets. The 48" grave blankets are made of live evergreens and decorated with tasteful holiday decorations. Our grave blankets are sturdily made on wooden frames which last longer than those made of styrofoam. The price includes installation and removal of the grave blanket. We are offering the grave blankets for \$40.00 each.

Please send a check or money order with the form below. Make checks payable to Elmwood Cemetery Association and send to the above post office address. If you have any questions, you may call our office at (732) 545-1445 or email us at meyres@theelmwoodcemetery.com.

All orders must be placed before December 19th, 2016 in order to ensure installation before the holiday season. Grave blankets will be placed as orders are received.

Thank you and have a healthy and happy holiday season!
